SHORT BIOGRAPHY

Gerrit Prießnitz has been Chief Conductor of the Tiroler Landestheater Innsbruck since the 2024/25 season. The press regularly praises his interpretations for their "verve, elegance, and magnificent colour" as well as for being a "musical peak performance."

Born in Bonn, the conductor graduated with honours from the Mozarteum Salzburg. Following positions at Theater Erfurt, he shaped the Vienna Volksoper for many years as a conductor, leading nearly 400 performances. In the 2018/19 season, he also served as Principal Guest Conductor at Theater Chemnitz.

International guest appearances have taken him to the Vienna State Opera, the Seoul Philharmonic, the Hamburg State Opera, and the Cologne Opera, as well as to the Bamberg Symphony, the Royal Danish Opera in Copenhagen and the Staatskapelle Dresden.

In addition to his conducting career, he has been teaching as a Professor of Opera at the University of Music and Performing Arts Graz since 2023. He was awarded the Austrian Cross of Honour for Science and Art for his artistic achievements.
